Important Information Regarding Your Child's Sea Creature Report

The students have worked very hard on their Rough Drafts for the Sea Creature Report. I am so proud of them.

They are bringing them home in a Yellow folder in their backpacks today (Friday, September 29).

It would be helpful to go over the papers with them to make sure they have all that is needed. Included in their folder will be a copy of the grading rubric for the rough draft and the visual project.

The rough drafts are due Tuesday October 3rd.

The visual projects are due Wednesday, October 11th.

Thanks so much for the opportunity to teach your child.

I am so blessed.

Mrs. Gentry
