

Week 1 Schedule

March 18-20

Wednesday

Journal Devotions - Psalm 1

Math - Lesson 93 (1-15) You also have the option to read the lessons yourself and work ahead at your own pace. Extra sheets will be given to do this.

Reading - Finish Chapter 3/4 - Abe Lincoln

English - Week 1 Wednesday (This is a different format, but hope you enjoy!)

Science - Begin planet activity. It is suggested to try one planet a day, but feel free to work at your own pace.

Directions: Using your book (Ch 18) and suggested on line resources, research and record information on your pages. Make sure to use your editing checklist. Do not stress if you not are able to fill in every blank. Take the challenge, but don't overwhelm yourself. Color the planets. (your choice in what to use) Cut out the "fan" and hole punch the bottom. A metal brad inserted through the hole completes the project.

Social Studies - You have been given a State Puzzle Book. It is suggested to try one page a day, but feel to work at your own pace, doing the pages that interest you most. (This is optional.)

Thursday

Journal Devotions - Psalm 5

Math - We will be checking Lesson 93 together in Zoom. (See additional instructions.)

Reading - Read Ch 5 in Able Lincoln. Answer questions in complete sentences for Chapter 5. You can use Thursday and Friday to complete.

English - Week 1 Thursday

Friday

Journal Devotions - Psalm 8

Math - Freckle - Make sure you're doing Fact Practice in addition to other things

English - Week 1 Friday

Work on Science and Social Studies activities mentioned above.
